Six Important Things to Know:

1. Students must submit a waiver application each academic year. Complete the application online during the fall, winter or spring waiver periods. If you waive UC SHIP enrollment in the fall, you do not need to complete another waiver application in the winter or spring term.

2. With the new AHP system, it’s easy to upload proof of comparable coverage, including an image of your ID card. You can also go back to the online system at any time to make updates to your existing application.

3. When you submit a waiver application, we will automatically contact your health insurance company to verify that you are actively enrolled. You will receive a quick response to your application.

4. If your waiver is approved, you must maintain active enrollment in your health insurance plan for the entire academic year. We will automatically re-verify that you are enrolled in your health insurance plan before the start of every term.

5. If we cannot verify that you are actively enrolled, you will be notified via email and/or text message that your waiver was denied. You will be enrolled in UC SHIP and charged the cost of coverage for that term.

6. If your waiver is denied, you may appeal the decision by submitting proof of current insurance coverage from your health insurance plan.

Consider BruinCare
If you waive UC SHIP, consider BruinCare for prepaid access to Ashe’s commonly-used services for only $60/quarter or $90/semester.

UC SHIP Fees 2019-2020
- $838.90 for undergraduates/quarter
- $1,439.66 for graduates/quarter
- $2,159.49 for graduates/semester
