Outreach Information/Supply Request Form

Watch for us around campus! The Ashe Center participates in a variety of outreach and orientation events which can help students learn about the variety of services available to help them achieve their academic goals and become knowledgeable healthcare consumers. To request Ashe Center participation at your event or outreach information/supplies, please contact Geno Mehalik via email at gmehalik@ashe.ucla.edu. Please allow at least 2 weeks to process all requests.

Condoms and toothbrushes are our main marketing product at this time. All UCLA students who visit the Ashe Center are welcome and encouraged to pick up condoms or toothbrushes for themselves at no charge. If you are interested in providing Ashe Center condoms and/or toothbrushes at your event, please complete the following form:

Name of Requestor: __________________________________________         UCLA ID ___________________________
