

STUDENT HEALTH INSURANCE PLAN

PLAN UPDATES for 2017-18

UC SHIP is a comprehensive health care package including medical, behavioral health, vision and dental benefits with 24/7 Nurse Line assistance. In 2017-18, a strong benefits plan will be even stronger!

Full compliance with the Affordable Care Act, including free healthy check-ups right on campus at The Ashe Center.

UC "family" discount when students visit UC medical centers.

REMINDER: Download the UC SHIP mobile app for your smart phone to access your medical ID card as well as details about your insurance benefits.

NEWLY ADMITTED STUDENTS: Please review the new immunization requirements on our student health website to make sure you are in compliance.

Four Important Things to Know:

- ➕ All UC students are required to have medical insurance.
- ➕ If you have comparable insurance and you don't want to keep UC SHIP as dual coverage, you must apply to waive enrollment by your fee payment deadline date.
- ➕ All students are automatically enrolled in UC SHIP, charged to their BruinBill account.
- ➕ All students can use The Ashe Center, whether or not they have UC SHIP.

Insurance Waiver Information:

If you decide to waive UC SHIP enrollment, complete the pre-waiver worksheet and online waiver form by **SEPTEMBER 20** (Law, Med and Anderson/FEMBA students should check their individual fee payment deadline) and the UC SHIP fee will be reversed on your BruinBill. If you have a financial aid package, it will be adjusted to cover the UC SHIP fee. No waivers will be accepted after your fee payment deadline and you will be responsible for the full UC SHIP fee. **Find the UC SHIP online waiver form at: www.studenthealth.ucla.edu/ucship**

Consider BruinCare

If you waive UC SHIP, consider BruinCare for prepaid access to Ashe's commonly-used services for only \$60/quarter or \$90/semester.

UC SHIP Fees 2017-18

\$725.69 for undergraduates/quarter
\$1,272.09 for graduates/ quarter
\$1,908.14 for graduates/ semester
