**UCLA STRONGLY RECOMMENDS THE FOLLOWING GROUPS OF STUDENTS ALSO BE VACCINATED AGAINST:**

- Human papillomavirus vaccine (for women and men through age 26 years)
- Hepatitis B vaccine (all students regardless of age)
- Meningococcal conjugate (students up to age 23)
- Meningococcal B (ages 16-23 who elect vaccination after discussion with their healthcare provider)
- Influenza vaccine (annual; all students regardless of age)
- Hepatitis A vaccine (all students regardless of age)
- Pneumococcal vaccine (for students with certain medical conditions e.g., severe asthma, diabetes, chronic liver or kidney disease)
- Poliovirus vaccine (if series not completed as a child)
- Vaccines for international travel, based on destination

**How to comply with the Immunization recommendations:**
1. Print out the form so you can take it to your health care provider.
2. Once you have completed the Immunization requirements, enter them in the electronic version of the form for submission.
3. Go to the Secure Patient Portal
4. Log in to the secure site (UCLA logon ID number 000 000 000 and password). You must have logged onto MyUCLA and submitted your Statement of Intent to Register (SIR/SLR) before you can gain access.
5. Once you are logged in, select FORMS from the options on the left side of the page.
6. Select the form: IMMUNIZATION COMPLIANCE/HEALTH CLEARANCE.
7. Scan/upload the form signed by your health care provider, or copies of laboratory tests and immunization records
8. You can check your status online by following steps 3-4 and selecting Immunizations.

For further questions pertaining to school immunization recommendations, please send an email to Ashelimmune@ashe.ucla.edu

Please include all of your contact information, including your phone number, so your inquiry can be addressed in a timely manner.
