

New Appointment Guidelines for Specialty Clinics as of 4/11/2011

We want you to get the care you need. We want you to come to your appointments once you schedule them. We do not want to miss any opportunity to see someone else if you are not able to make it.

If you decide that you do not want to show up for your appointment, we require that you call or go online 24 hours before your appointment to cancel. If you do not, there will be a charge of \$20.00 billed to your BAR. This applies to all appointments made with specialty clinics.

Specialty Clinics

Allergy Clinic, Cardiology, Diabetes Clinic, Dietician Clinic, Dermatology, Gastroenterology, Optometry, Orthopedics, Podiatry, Physical Therapy/Occupational Therapy, Sports Medicine, Rheumatology, Urology, Weight Management
