

UCLA Arthur Ashe Student Health & Wellness Center

Urgent Care Facilities near You

We realize that getting sick is not always predictable. In the event that you need to seek **medical** care when the Ashe Center is closed, remember that all currently registered UCLA students have access to advice & information from a registered nurse through the **Nurseline** at: 877-351-3457. Additionally, the UCLA Emergency Room can be reached directly at 310-825-2111. Remember that it is important to follow up with your Ashe Center Primary Care Provider (PCP) at least 24-48 hours after being seen in an urgent care facility to ensure continuity of care.

For mental health-related concerns when the Counseling & Psychological Services (CAPS) is closed, you may speak with a CAPS Crisis Clinician by calling 310-825-0768.

In the event that you prefer to search for an urgent care facility near you, you may do so at the facilities listed below. If you are outside of the UCLA area, please visit the [Anthem Blue Cross](#) website and click on "Find a Medical Provider" to locate an Urgent Care Center in your area. Remember that you and your insurance company will be responsible for the total cost of any care you receive outside of the Ashe Center. It is important to carry your UC SHIP *Anthem Blue Cross* insurance card with you. *Note:* The Ashe Center does not promote or endorse any outside provider/facility. We offer this instructional information as courtesy to you. Refer to the Ashe Center SHIP Quick Reference Form [HERE](#) for a summary of urgent care plan benefits.

If you go to a non-participating Anthem Blue Cross urgent care center, deductible will be applied and the claim will be covered at 60 percent of customary & reasonable. You may be held liable for any amount over customary & reasonable.
