**4 Important Things to Know:**

- All UC students are required to have medical insurance.
- All students are automatically enrolled in UC SHIP, charged to their BruinBill account.
- If you have comparable insurance and you don’t want to keep UC SHIP as dual coverage, you must apply to waive enrollment by your fee payment deadline date.
- All students can access The Ashe Center, whether or not they have UC SHIP coverage.

**Insurance Waiver Information:**

If you decide to waive UC SHIP enrollment, be sure to complete the pre-waiver worksheet and online waiver form by **SEPTEMBER 20** (or for semester students, including: Law, Med and Anderson, check your school’s fee payment deadline) and the UC SHIP fee may be reversed on your BruinBill. If you have a financial aid package, you may qualify to receive assistance to cover the UC SHIP fee. No waivers will be accepted after the fee payment deadline and you will be responsible for the full UC SHIP fee. Find the UC SHIP online waiver form at: [www.studenthealth.ucla.edu](http://www.studenthealth.ucla.edu)
