UC SHIP WAIVER 2014-15

Automatic Fee
All UCLA registered students are automatically enrolled and charged the University of California Student Health Insurance Plan (UC SHIP). The fee consistently posts to your BruinBill every academic term. Waiver Deadline
March 1-20, 2015 is the spring/summer waiver period for quarter students. The spring period for semester students has already passed.

Waiver Cancellation

Urgent Care
- Medical advice is given through the confidential 24/7 NurseLine at (877) 351-3457.
- Anthem network emergency rooms and urgent care facilities can be found through www.anthem.com or by calling Member Services at (866) 940-8306 to find the nearest facility to you. Copayments are respectively $125 per emergency room visit, $25 per urgent care visit.

Anthem Blue View Vision Insight and Delta Dental
