Resources for when The Ashe Center is closed or appointments are unavailable.

## UCLA HEALTH IMMEDIATE CARE CENTERS

The Ashe Center partners with UCLA Health Immediate Care Centers to offer Bruins walk-in services when our center is closed or no appointments are available. Both the Westwood and Century City locations are less than 3 miles from UCLA/ Westwood.

You'll need your UCSHIP insurance info to access care away from campus.

### PLEASE NOTE:

Because The Ashe Center is the patient medical home for students with UCSHIP, UCSHIP students must contact The Ashe Center Insurance Office after their Immediate Care visit to ensure coverage.
