- Health insurance is a condition for enrollment in the UC, students **must WAIVE OUT** of UCSHIP every year if they choose/have other eligible coverage (read the waiver criteria online):
  - UCSHIP Waiver typically opens early August and closes in September for the full academic year
  - Students can toggle their UCSHIP status (3) times per year, details on website
  - Waiver Process (AHP) verifies all coverage, fully-automated (dependents, status, etc.)

- **To enroll in UCSHIP**, students/ families do nothing (included on BruinBill).
  Coverage period: September to September of each year, full year of coverage, including SUMMER
  (NOTE COVERAGE BEGIN DATE: FIRST WEEK OF INSTRUCTION)
